PART 1 – INSTRUCTIONS FOR MBE PARTICIPATION SCHEDULE

PAGE 2 OF 2

- E. Is the firm certified as a supplier, wholesaler and/or regular dealer? If the answer is YES (i) if the MBE firm is furnishing and installing the materials and is certified to perform these services, please include in Line 4.1 the total value of the subcontract amount (including full value of supplies); or (ii) if the firm is only being used as a supplier, wholesaler and/or regular dealer or is not certified to install the supplies/materials, for purposes of achieving the MBE participation goal, you may only count sixty percent (60%) of the value of the subcontract for these supplies/products (60% Rule). In Column 4, Section 4.2 of the MBE Participation Schedule, please state the amount of the subcontract for these supplies/products only (not installation) and sixty percent (60%) of such value.
